## **The Immaculate Conception**

**Fifteenth Sunday of the Year 13th July 2014**

Dear friends,

Parents always remember the first recognisable words uttered by a baby and we cannot sufficiently appreciate the gift of speech which marks human beings off from all other creatures. In the parable of the Sower Jesus compares words with seeds. Just as seeds produce crops and plants of various kinds words too have their effects. Jesus says: blessed are those who hear the word of God and keep it. Sad to say the words that we speak do not always bring blessings. There are times when a word can be deeply hurtful. It is very easy to put others down by a sarcastic comment or to damage the reputation of another by spreading gossip. We must take constant care to ensure that the seeds we sow through our words are encouraging and affirmative of others and in instances where we can find it difficult to say anything positive or constructive it is better to say nothing at all.

When we listen to God's word Sunday by Sunday we are intended to take away from it guidance and direction for the week to come. The Scriptures are there to help us to lead fruitful lives and the fruits of the Spirit are love, joy, peace, patience, kindness and self control.

***God bless you always  
Father James***
